Please note

Certification contract

Certification is based on the TÜV SÜD Product Service Testing and Certification
Regulations.

On receipt of the certificate the certificate holder agrees to the current version of the
Testing and Certification Regulations (www.tuev-sued.de/ps_regulations) and thus
becomes partner in the TOV SOD Product Service Certification System.

Requirements for the validity of the certificate in principle:

- Validity of the quoted test standard(s)

In addition for certificates with the right to use a certification mark and for QM
certificates:

- Conditions for an adequate manufacturing are maintained

- Regular surveillance of the facility is performed
